

REMARKS

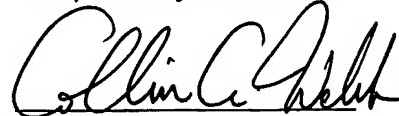

This application is a division of U.S. Application No. 10/080,098, filed February 21, 2002. Claims 1–31 were originally presented in the parent application. In response to a restriction requirement made in the parent, Applicants elected claims 1–26 for continued prosecution in the parent. Thus, in this divisional application Claims 1–26 are canceled and claims 27–31 are presented for examination.

This Preliminary Amendment also amends the title and the specification to insert a cross reference to the parent application. No new matter has been added.

Early passage to issue and favorable consideration of this application are requested.

Applicants' undersigned attorney may be reached in our New Holland, Pennsylvania office by telephone at (717) 355-4954.

Respectfully submitted,
